- Butterfly Template

**How to make your Toilet Paper Roll Butterfly:**

1. Paint or colour in the toilet paper roll black and set it aside to dry.
2. Print the template onto cardboard or paper.
3. Let your child colour the butterfly wings with crayons or markers however they would like.
4. Cut the butterfly wings out and glue the dry toilet paper roll to the centre of the wings.
5. Glue googly eyes onto the toilet paper roll and draw on a smile with crayons or markers.
6. Cut two small strips of paper out of the excess cardboard and glue them to the inside of the toilet paper roll to be the antennae.
7. Use sequins to decorate the butterfly wings.
8. When the glue is dry, your butterfly will be able to stand up
