

Insect poem

Name: _____

Listen to the poem about insects.
Can you hear the rhyming words?

**Little brown beetle, little brown beetle
Where have you been?
I've been down on the ground
I've been crawling all around.**

**Small red butterfly, small red butterfly
Where have you been?
I've been flying up high
In the bright, blue sky.**

**Little white moth, little white moth
Where have you been?
I've been circling the candle flame
What a fun little game.**

**Tiny black ant, tiny black ant
Where have you been?
I've been working hard all day
I have no time to play.**
