

# Make a Bee

Name: .....

Make a bee from a toilet paper roll.

You will need:

A toilet roll, strips of black paper, glue, yellow paint, a paint brush, pipe cleaner (cut in half), scissors and white paper.

1. Paint the toilet roll yellow and let it dry.
2. Paste the black strips onto the toilet paper roll. If you can't find black paper, paint some white paper with black paint.
3. Paint eyes and eyebrows onto the roll.
4. Paint a HAPPY mouth onto your bee!
5. Cut a pair of wings out of white paper and paste them onto the back of the bee.
6. Bend the pipe cleaners and use these for the antennae.
