NEWSLETTER

VOLUME 03 • FEBRUARY 2018

FROM THE PRINCIPAL'S DESK...

Extra/Co-curricular Time Tables

All latest copies of the Extra and Co-curricular Time Tables can be found on the school website (www.lrschool.co.za) or on the D6 Communicator under resources. Please refer to these if there is confusion around afternoon activities.

Late Children

Thank you to our parents for making the effort to collect their children in time after school. We have noticed a huge improvement at the waiting area and would like to thank every parent that has gone out of their way to ensure that their child is collected on time. There are, however, still learners being left late in the afternoons and this is unacceptable. It is each parent's responsibility to collect their children on time, and the school's responsibility to report any learners continually left late, to Social Services. We have been recording the names of learners not collected by 14h30 and will follow up with documentation required by the Department.

Leicester & Derby Roads

Thank you to those parents who have been more courteous towards our neighbours on Leicester and Derby roads, as well as to our security guards. There has been a decrease in the number of complaints, and we appreciate your patience in this regard.

Staff Matters

Mr. Lamprecht has had to leave LRS. We have interviewed and employed Miss Van As who comes highly recommended. She will commence at the beginning of March. In the interim, Miss Maia will be teaching the classes.

SGB Elections

You will have received the blue notices and D6 messages regarding the School Governing Body (SGB) elections happening on Wed, 7 March. It will be held at 6pm and child care facilities will be available. It is vital that we get a quorum (15% of our parent body) attending on the night. Please diarise this important date.

Yours in Education,
Mr Spaarwater
School Principal

REPLY SLIP (Compulsory)

As our newsletter contains information that needs to be read and understood by all our parents, we are insisting that you fill out a reply slip on receipt of each volume.

For convenience we have left a large space for your child to write their own name, class and date, and all you need to do then is sign on the dotted line!

Your child can also cut the reply slip off the page (where indicated) and return it to their teacher.

We understand that this is extra work, but use this as an opportunity to discuss your child's school day with them!

IMPORTANT DATES

February 2018

Today's Date

Parent/Guardian sign:

SGB MATTERS

Annual Security Levy

The purpose of the security levy is to upgrade security features at the school. In the past few years it has been used to buy CCTV cameras and upgrade the gates. The old wording of security donation is incorrect - at the AGM last year we resolved to collect this at R400 per family.

Exemptions

The LAST date by which you can apply for an exemption is 28 February 2018. Only under extremely rare and exceptional circumstances, will we accept any exemption forms after this time.

SGB Elections

Being on the SGB is a considerable commitment in terms of time and focus. My own work and studies demand too much time for me to continue giving my all to it for another 3 years, so I will not be standing for re-election. I will however still be actively involved in the school community. Our treasurer Johan Joubert finds himself in a similar position and will also not be available for re-election. Please give careful consideration to nominations for the upcoming SGB elections and make every effort to attend the election - it is a key area of involvement for parents.

**Yours in Governance,
Richard Sherman
SGB Chairman**

SUPERSPORT UNITED SOCCER SCHOOL NOW OPEN AT THE EDENVALE ACTION SOCCER ARENA, MORNINGHILL SOCCER ARENA BRUMA AND BEDFORDVIEW COUNTRY CLUB
SuperSport United Soccer Schools exists to give children, boys and girls, from 5-15 years of age the best start in football. All players start at SuperSport United Soccer Schools and work on their technique and ball skills. Young players spend the majority of their time working individually with the ball with a graded progression as they get older through paired work, group work and onto team play, all maintaining the core SuperSport United Soccer Schools principle of working with the ball.
